## ACCEPTABLE USE OF COMPUTER NETWORKS/ COMPUTERS AND RESOURCES

The Board of Education recognizes as new technologies shift the manner in which information is accessed, communicated, and transferred; these changes will alter the nature of teaching and learning. Access to technology will allow pupils to explore databases, libraries, Internet sites, and bulletin boards while exchanging information with individuals throughout the world. The Board supports access by pupils to these information sources but reserves the right to limit in-school use to materials appropriate for educational purposes. The Board directs the Superintendent to effect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes technology allows pupils access to information sources that have not been pre-screened by educators using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer networks and declares unethical, unacceptable, or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, and/or instituting legal action.

The Board provides access to computer networks/computers for educational purposes only. The Board retains the right to restrict or terminate pupil access to computer networks/computers at any time, for any reason. School district personnel will monitor networks and online activity to maintain the integrity of the networks, ensure their proper use, and ensure compliance with Federal and State laws that regulate Internet safety.

### Standards for Use of Computer Networks

Obscene activities shall be defined as a violation of generally accepted social standards for use of publicly owned and operated communication vehicles.
- B. Using the computer network/computers to violate copyrights, institutional or third party copyrights, license agreements or other contracts.
- C. Using the computer network in a manner that:
  1. Intentionally disrupts network traffic or crashes the network;
  2. Degrades or disrupts equipment or system performance;
  3. Uses the computing resources of the school district for commercial purposes, financial gain, or fraud;
  4. Steals data or other intellectual property;

  9. Posts anonymous messages;
  10. Possesses any data which is a violation of this Policy; and/or
  11. Engages in other activities that do not advance the educational purposes for which computer networks/computers are provided.

No pupil shall be allowed to use the school districts' computer networks/computers and the Internet unless they have filed with the individual a consent form signed by the pupil and his/her parent(s) or legal guardian(s).

### Violations

Individuals violating this Policy shall be subject to the consequences as indicated in Regulation 2361 and other appropriate discipline, which includes but are not limited to:

1. Use of the network only under direct supervision;

### **ATTENDANCE POLICY – Board Policy 5200**

#### **ABSENCES FROM SCHOOL**

Parents/Guardians are required to call the Attendance Office by 7:30 am if their child is going to be absent from school or tardy to school. The phone number for the Attendance Office is 732-723-2200 extension 1001. Student absences with parental verification are considered unexcused absences until proper documentation, (i.e. original doctor's note, driver's license, etc.) have been presented to the Attendance Office. Refer to pages 12 and 13 for a further explanation of excused/unexcused absences. On the day of a student's absence the school may call the parent/guardian to verify such absence.

The Spotswood High School District Board of Education recognizes that attendance at school is compelled by the provisions of N.J.S.A. 184:35-1, et seq. for students below the age of sixteen. The Board is also mindful of its authority and its obligation to act affirmatively to regulate and remediate in the area of pupil attendance. It sets forth the following basic policy for the guidance of parents, students, and the professional staff. The policy became effective September 1981, at which time the rules and regulations were presented to the Board of Education and generally known.

The Board of Education requires that the pupils enrolled in the schools of this district attend school regularly in accordance with the laws of the state. Regularly is defined as being present for all days and hours that schools are in session, except in the case of excused absences or tardiness. The educational programs offered by this district are predicated upon the presence of the pupil and require continuity of instruction and classroom participation. The regular contact of pupils with one another in the classroom and their participation in a well-planned instructional program is essential to the educational process.

- Absences, the non-attendance of students enrolled in the school district, will be divided into two categories: excused and unexcused.
  - Excused Absences
    - The Board of Education recognizes that there are unavoidable circumstances, which may prevent students from attending school. In the event, therefore, that students are absent for any of the reasons listed below, their absences will be excused:
      - An excused absence is a student's absence from school for a full day or a portion of a day for the observance of a religious holiday pursuant to N.J.S.A. 18A:36-14 through 16, or any absence for the reasons listed below:
        - The student's illness as verified by a written statement from a physician/medical professional upon student's return to school
        - The student's required **attendance** in court
        - Where appropriate, when consistent with Individualized Education Programs, the Individuals with Disabilities Act, accommodation plans under 29 U.S.C. 794 and 795 (20), and individualized health care plans
        - The student's suspension from school
        - Family illness or death supported by notification to the school by the student's parent
        - Visits to post-secondary educational institutions with a limit of three (3) per year
        - Interviews with a prospective employer or with an admissions officer of an institution of higher education
        - Examination for a driver's license
        - Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day
        - Take Our Children to Work Day
        - An absence considered excused by a New Jersey Department of Education rule.
        - An absence for a reason not listed above, but deemed excused by the Principal upon a written request by the student's parent stating the reason for the absence and requesting permission for the absence to be an excused absence.
- Unexcused Absences
  - Definitions
    - Any absence, which is not authorized for one of the reasons listed previously, is unexcused. Unexcused absences include full day absences, for which there is no legitimate reason as defined by this policy as well as every second tardy to an individual class. Family vacations are not considered excused absences.
    - Unauthorized absences from individual classes, which result in more than half the class, being missed, will be considered unexcused.
    - Cutting: Students who are absent from class without authorization on days when they are in attendance at school are cutting class. Their behavior will be handled according to the class cut policy.
  - Number of unexcused absences which students may accumulate before losing credit for a course:
    - Full Year Course: Sixteen
    - Semester Course: Eight

- Quarter Cycle: Four (Health Classes)
  - o Consequences of exceeding the unexcused absences limit:
    - Students shall lose credit for any course in which their unexcused absences exceed the limits prescribed in this policy.
    - Students whose absences from a given course exceed the limits stated in this policy will have the option of remaining in class. In order to receive credit for the course, they will be required to earn a passing grade and to attend summer school. Both the grade and credit will be withheld until the requirements of this policy have been met.
- Procedures for the remediation of student attendance
  - o Home Instruction
    - All students who will be absent for ten or more consecutive days as a result of illness are eligible to receive home instruction. Parents should notify the School Counseling Services immediately when circumstances require home instruction, as arrangements for instructors must be made.
    - Written notice of the illness from a physician and a written request from a parent, a guardian, or an adult student are required in order to institute home instruction. The documentation should be forwarded to the school principal then to the school physician for approval. It may be presented immediately upon the onset of an illness.
  - o Notification and Counseling
    - At every **eighth, twelfth, and fifteenth** absence, which a student accumulates in a course, the Attendance Office will notify the parents.
    - In courses, which are divided into quarter cycles, (Physical Education, Health, etc.) information about attendance will be given to parents and counselors when **three** absences have occurred.
    - Upon receipt of written notification from the Attendance Office, counselors should confer with students to:
      - Acquaint students with the implications of the Attendance Policy
      - Discuss the factors, which may be inhibiting attendance.
  - o All classified students pursuant to N.J.A.C. 6A:14.1.1, et seq. shall be referred to the Child Study Team for intervention at the time of five cumulative absences. A review of the case shall take place prior to the implementation of the policy prescribed above.

To maintain the safe and secure conditions for all pupils transported on school owned or contracted school vehicles, the Board may use devices to monitor and/or observe student behavior, teacher and support staff behavior, school bus driver discipline procedures and/or school bus driver driving techniques. The device may be a sound video camera, a voice-monitoring device or other appropriate devices. Each school vehicle will have a sign clearly posted in the school vehicle stating that: "Video and/or Audio monitoring devices are used on school owned and contracted vehicles and this vehicle may be monitored at any time."

The recording may be used in pupil and staff discipline matters, driver evaluations or for driver discipline or training. Notice of this policy will be provided to parent(s) or legal guardian(s) and all transportation personnel each year in staff, pupil and/or parent handbooks.

## CAFETORIUM

Students are assigned to one lunch each day, and must report to the Cafetorium at that time. Lunch is an assigned location; failure to report to the Cafetorium during lunch will result in a discipline referral.

The Cafetorium makes available both hot and cold lunches, a-la-carte items, sandwiches, and snacks. Students may also bring their own lunches.

The following rules have been established for the Cafetorium during the lunch periods:

1. Students are expected to be on time to lunch, to stand in line, and to wait their turn.
2. All students are responsible for keeping the Cafetorium clean.
3. Trays and utensils must be returned to the designated area.
4. Refuse must be disposed of in the proper receptacles.
5. Students are expected to use good table and eating manners.

Students who do not abide by the rules outlined for the Cafetorium during lunch will be subject to a disciplinary action.

## CELL PHONES

1. There are certain behaviors related to electronic device use that are unacceptable at all times, not only during the school day, but in general society as well. Threats, photos, sexting, plagiarism, cheating, copyright violation, etc. will result in disciplinary consequences as well as potential legal issues.
2. A cell phone/electronic device classroom usage policy is determined by each Classroom Teacher. Classroom teachers will distribute their policy at the beginning of each year.
3. Students will be allowed to use their electronic devices **ONLY** during lunch periods and before and after school.
4. **Any student who does not comply with forfeiture of their electronic device to administration will automatically be suspended.**
5. **See Code of Conduct for consequences.**

4. No food or drink may be taken to central detention.
5. If a student is absent from school on the day that central detention has been assigned, administration will reassign detention. All central detentions must be made up.
6. If a student is dismissed early from school during the day for any valid reason, administration will reassign detention.
7. Students who wish to reschedule a central detention for a valid reason must get approval from the administration at least 24 hours in advance.
8. Detention takes preference over other commitments: working, athletics, participation in any extracurricular activity, etc.
9. Students must leave the building immediately at the end of detention. Coats and other belongings should be brought to the detention room.
10. Students who “cut” central detention: (See code of Conduct)

### **SATURDAY DETENTION**

1. Saturday Detention may be assigned for all violations of school policy such as class cuts, chronic lateness, class disruption, and other routine behaviors and incidents except those relating to substance abuse and fighting. The administration reserves the right to assign a Saturday Detention when deemed necessary.
2. The student is responsible for providing transportation.
3. Hours are 9:00 a.m. to 12:00 pm.
4. Students who cut Saturday Detention will be reassigned another Saturday Detention in order to fulfill their Saturday Detention obligation. A form of suspension will also be issued. The type of suspension and duration will be determined by administration based on the cut level.
5. Students who have accumulated (2) cuts of their Saturday Detention may be required to meet with the Principal before their return to school. Students, unless age of 18, must be accompanied by a parent or legal guardian at the time of the meeting. - 1<sup>st</sup> Cut: Phone call home to parent to notify them of the cut. A letter will be mailed home. One day of central detention issued.
- 2<sup>nd</sup> Cut: Student loses credit for the course. A Saturday Detention will be assigned and parent will be notified. Loss of credit letter will be mailed home. Student will be eligible for summer school but must remain in class.
- 3<sup>rd</sup> Cut: After student has reached no credit status after 2<sup>nd</sup> cut, a 3 day out of school suspension will be issued.

### **CLASS RANK**

A class rank policy will be established and maintained by the Spotswood High School on a yearly basis.

Students will be ranked according to the following schedule. The first time will occur at the **end of the sophomore year, the second ranking at the end of the junior year and the final ranking at the end of the senior year**

The first two students with the highest averages will be recognized as Valedictorian and Salutatorian respectively.

### **CLASSROOM DISCIPLINE**

Mutual respect is the basis for good teacher-pupil relations. Where this exists good conduct prevails and discipline is no problem.

**Minor infractions of classroom procedure will be handled by the teacher.** The teacher will enlist the aid of parents, supervisors, and administrators to ensure that a proper classroom atmosphere prevails.

Serious infractions of classroom discipline will result in the student referral to the Assistant Principal. At this time students may be assigned detention, or out of school suspension or expulsion or any consequence or community service at the discretion of administration that is approved by the Board of Education.

### **CODE OF CONDUCT**

The Code of Student Conduct will be disseminated annually to all school staff, students and parents. Parents and students will annually sign-off that they have read and understand the Code of Student Conduct and the provisions of the Board of Education's Regulation 5600. Both documents will be posted on the district's website at <https://shs.spsd.us/> for reference purposes. Copies will also be provided to parents who do not have internet access.

The Code of Student Conduct has been established to achieve the following purposes:

- A. Foster the health, safety and social and emotional well-being of students;
- B. Support the establishment and maintenance of civil, safe, supportive and disciplined school environments conducive to learning;
- C. Promote achievement of high academic standards;
- D. Prevent the occurrence of problem behaviors;

- E. Establish parameters for the intervention and remediation of student problem behaviors at all stages of identification; and
- F. Establish parameters for school responses to violations of the Code of Student Conduct that take into account, at a minimum, the severity of the offenses, the developmental ages of the student offenders and students' histories of inappropriate behaviors.

### **SHS CODE OF CONDUCT**

Students must realize that any display of inappropriate behavior will have consequences that are graded according to severity. They include a continuum of actions designed to remediate and, where necessary or required by law, to impose sanctions. They provide for equitable application without regard to race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or by any other distinguishing characteristic, pursuant to N.J.S.A. 10:5; and are consistent with the provisions of N.J.S.A. 18A:6-1 regarding the prohibition of corporal punishment.

*NOTE: All Reward Activities and Special End-of-Year Activities, such as proms, dances, field days, etc. are privileged events and will be denied to students with excessive code of conduct infractions.*

### **COLLEGE AND POST SECONDARY EDUCATIONAL PLANNING**

Several evening programs will be offered to assist parents and students with college and financial aid planning. There will be a College Planning Program in the fall and spring devoted to explaining the application process. In December, an evening program will be held to explain the New Jersey Financial Aid Form and how to complete it.

### **COLLEGE APPLICATIONS**

College applications brought to the counseling office after December 9, 2020 WILL NOT be mailed until after the winter holiday recess.

### **COLLEGE ENTRANCE EXAMS AND VOCATIONAL INFORMATION**

School Counseling Services will provide information and applications for P.S.A.T., A.C.T., and S.A.T. exams. School Counseling Services also administers and interprets other standardized tests, which are administered throughout the school year.

In addition to the above services, School Counseling Services will assist students in the completion of college application forms and provide information regarding higher education such as technical and vocational training, business schools, art schools, and other career programs. There is also extensive information available on financial aid.

### **COLLEGE VISITATIONS**

Juniors and Seniors are permitted no more than three excused absences for college visitations providing a form is completed and returned to the Attendance Office the school day prior to the visit. Forms can be picked up in School Counseling Services and submitted to the Attendance Office. Official documentation must be submitted from the school visited upon the return to Spotswood High School. Effort should be made to schedule placement testing after school hours.

### **COUNSELING AND CAREER EDUCATION**

Counseling and Career Education is a continuous and individualized process, which is a major part of each student's program. One of the main objectives of this area is to personalize the educational process, giving attention to each student in accordance with individual needs.

Counseling requires an atmosphere of warmth and acceptance with counselors maintaining the highest professional skills, confidentially and concern. In addition, counseling includes career and academic planning, personal counseling, and crisis counseling.

Within the counseling framework, counselors assist students to make decisions regarding goals. Goals, strengths, weaknesses, capabilities, and selecting an appropriate course of study for present and future needs are clarified with the help of the counselors.

Services for counseling and career education are staffed by the following personnel:

School Counselors

- Ms. Lauren Buchanan
- Mr. Michael Del Aversano
- Mrs. Debbie Steenvoorden
- Mrs. Amy Willuski

Appointments may be made by calling 732-723-2200 extension 1040, or by coming to School Counseling Services and requesting a counseling appointment. Every attempt will be made to see the student the day following a “request for a counseling appointment,” or if an emergency exists, clarify that information with the secretary, and an appointment will be attempted promptly. Parents may arrange a meeting by calling the office at the above number. Please visit the guidance portion of the Spotswood School District website for scholarship information and updates.

**COURSE CHANGES**

School Counseling Services makes every effort to see that each student’s schedule is the appropriate program. Schedules are developed only after School Counseling Services counselors in consultation with parents, students, and teachers design a program to meet specific goals for the student. Therefore, very few schedule changes should be necessary during the course of the school year. Class changes will be made for the following reasons:

1. Missing graduation requirements
2. Failed course needs to be rescheduled
3. Remediated failure in summer school, and needing a change
4. Administrative decision

### **DISPLAY OF AFFECTION**

Students should not inappropriately display affection towards each other during school or on school property. Parents of students doing so will be notified and, if the problem is not corrected, further disciplinary action will be taken.

### **DRESS CODE – Board Policy 5511**

While the selection of clothing worn at school is the responsibility of the parent/guardian and students, the school reserves the right of final decision concerning dress and appearance. All students are expected to remove any headgear and electronic devices immediately upon entering the building. Headgear includes, but is not limited to, hats, hoods, bandanas, ski masks, sunglasses, do-rags, headbands, sweatbands, and earmuffs. Electronic devices include, but are not limited to, IPADS, MP3 players, cell phones, radios, transmitters, iPods, CD players, Walkman, disc man, and video recorders etc. All headgear and electronic devices **MUST BE** stored in a student locker before the beginning of the school day (7:30 AM). Failure to comply may result in disciplinary action. Headgear and electronic devices may **NOT** be worn around a student's neck during the school day. Failure to comply may result in the student's headgear and or electronic equipment being confiscated. The school will not be held responsible for items, which have been confiscated, lost, or stolen. Head coverings required for religious or medical reasons are exempt from this policy.

Reasonable regulations concerning dress and cleanliness are vital not only to the individual student but also those with whom he/she shares a class or activity. Concerns about cleanliness may be referred to the nurse by staff or students.

It is clear that some types of clothing, which are completely appropriate for recreation, sports, etc., are not suitable for school where neither clothing nor behavior should hinder a serious learning atmosphere.

Students should not wear clothing that can be hazardous to good health in any type of school activities or that blocks vision and restricts movement

While the selection of clothing worn at school is the responsibility of the parent/guardian and students, the school reserves the right of final decision concerning dress and appearance, especially if a dress style is potentially disruptive or consists of the following violations:

- Student attire shall be school-appropriate – neat, clean and reflecting an appearance of modesty.
- Clothing with inappropriate pictures, liquor advertisements, sexually suggestive messages, profanity, tobacco or gang affiliation slogans, offensive or obscene language, symbols, signs or slogans degrading race, societal group, color, creed, religion, gender, ancestry, national origin, social or economic status, sexual orientation or people with disabilities is not permitted. Drug-related pictures and messages that support and/or condone drug use are also unacceptable.
- Buttons, pins and other accessories are permitted as long as they comply with the above-mentioned regulations and do not cause disruption, disorder or a danger.
- Footwear must be worn and securely fitted at all times. Open shoes (flip-flops and “Heelys”) are not allowed because they constitute a safety hazard.
- Hats are not to be worn indoors.

- Bare midriff, crop tops that expose the abdominal area, halter-tops, tube tops and tank tops with straps that are less than one inch wide are not permitted.
- No tank top shirts of any kind are permitted to be worn by boys.
- Very short shorts, very short skirts and/or short culottes are not permitted. The length of the garment should minimally be mid-thigh or longer.
- Lingerie, including bra straps and underwear, and sports bras may not be exposed. Pupils are required to wear appropriate undergarments at all times.
- Sweat pants are permitted, but cannot be folded to show midriff.
- Articles which can cause damage to other students and/or property are not permitted.
- Leather bands studded with metal fillings are not permitted.

Students who are in violation of this policy will be sent to the appropriate office and given an opportunity to change into dress that is more appropriate. If a student does not have a change of clothing, he or she will be required to return home to change into clothing that is in compliance with the above policy. School administration will make the final determination as to whether clothing in question is in violation of the dress code. Parents and/or legal guardians are strongly encouraged to assist students in being in compliance with the dress code before students leave home for school. Dress code applies during school hours and on school-sponsored activities and trips. In addition, some department restrictions on attire may be prescribed for participation or implemented for reasons of safety. Specific situations such as labs, shops, etc. may require additional regulations for which the students involved will be informed. Students that violate the dress code:

- 1<sup>st</sup> Incident:** A warning/wardrobe change
- 2<sup>nd</sup> Incident:** Disciplinary consequences as per administration
- 3<sup>rd</sup> Incident:** Insubordination - 1-day suspension

If a violation cannot be corrected between a teacher and a student, or if there is a question, the teacher will send the student with a note concerning the violation to the Assistant Principal for a decision. The Assistant Principal will return a written response to the teacher.

### **DRUGS AND ALCOHOL USE – Board Policy 5600, 5530 & 5770**

The Spotswood Board of Education recognizes that alcohol and drug abuse is a complex problem in society and is aware of the vital role played by the schools in the efforts of the community to deal with this problem. The district further recognizes that alcohol/drug abuse and dependency is a treatable health problem that affects the dependent person and those persons surrounding the dependent in the family, the peer group, the school, and on the job. The Board of Education believes that an educational and therapeutic approach to the problem is more effective than one, which is solely punitive in nature.

The Spotswood Board of Education has responded to this problem by establishing a program to assist students. This program, under the direction of properly certified staff, will facilitate development and implementation of programs to prevent alcohol and drug use/abuse/dependencies; to inform and educate their families; and to initiate diagnosis, referral for treatment and provide follow-up support services.

Any violation of Board rules prohibiting the use, possession and/or distribution of a substance is a serious offense, and the pupil who violates a substance abuse rule will be disciplined accordingly. Repeated violations are more severe offenses and warrant stricter disciplinary measures. Pupils who violate the substance abuse rules will be disciplined as follows: (See Code of Conduct)

### Presence of Substances on School Premises

- A pupil's person, effects, or school storage places may be searched for substances in accordance with Policy No. 5770.
- The Principal or other school official conducting the search shall confiscate as evidence any substance found in the pupil's possession.
- The Spotswood Police Department will be notified of the substance.

*No Child Left Behind Act of 2001 – Board Policy 2415*

In accordance with the “No Child Left Behind Act of 2001” high schools are now required to release the names, mailing addresses, and telephone numbers of students to military recruiters upon request. This information is to be used specifically for armed forces recruiting purposes.

One of the provisions of the law states that a student or the parent of the student may request that a student's names, address, and telephone listing not be released without prior written parental consent, and that Spotswood shall notify parents of the option to make a request and shall comply with any request.

In compliance with this law, we are hereby notifying all parents of their option to make a request to not release information to the military without prior written consent. **If you choose to take advantage of this option, please notify School Counseling Services by September 11, 2020.**

### **FIGHTING – Board Policy 5600**

A student caught fighting may be removed from school immediately at the discretion of the administration. Should removal not be deemed to be warranted, the following guidelines will be enforced. (Please refer to Code of Conduct)

**Fighting is a serious offense. In almost every instance, a student has an opportunity to walk away from a fight and report the problem to a teacher, counselor, assistant principal or other staff members.** If the student chooses to participate in the verbal or physical harassment, which often results in a fight, he or she must be prepared to accept the consequences. Many fights result from half-truths being carried back and forth by a “friend” of both parties. Such a person is not a friend, and he or she is subject to disciplinary action for aiding and abetting. Students are also cautioned against teasing each other and “play-fighting.” This type of immature behavior often leads to someone becoming angry and a resulting fight.

Students may apply to the peer mediation program to help with these conflicts before they escalate out of control.

### **FIRECRACKERS – Board Policy 5600**

Firecrackers are illegal and dangerous. Possession or firing is cause for suspension and referral to the Police.

### **FLAG SALUTE AND PLEDGE OF ALLEGIANCE**

New Jersey law requires you show respect for the flag of the United States of America. You are required by law to respectfully remain silent. Each morning students are asked to stand during the flag salute and pledge of allegiance via the P.A. system.

### **FOOD/BEVERAGES IN CLASS**

In an effort to have students focus on their academic work, there will be **no food or beverages allowed in the classroom setting or in the Media Center.** Students may bring their own food/beverage to school to be consumed during their assigned lunch period. Each teacher is to enforce this rule on a daily basis.

### **FUNDRAISING**

The Assistant Principal must approve all fund raising activities. The request for the fund raising project must be submitted to the Assistant Principal in writing with the signature of the sponsor of the club conducting the fund raising activity at least 30 days before the date of the event.

### **GAMBLING AND PLAYING CARDS**

Gambling and card playing are prohibited in any part of the school or building or on the school buses. Students who are reported to the office for gambling and/or playing cards will be subject to disciplinary action.

### **GENESIS PARENT MODULE**

In an effort to bridge the communication gap between school and home, Spotswood High School will continue to implement the Genesis Parent Module for the 2020-2021 academic school year. The module will allow parents to monitor their child’s attendance, conduct and most importantly their progress in class.

## GRADING SYSTEM

Report cards are issued four times a year. Only letter grades are given. There will also be an area for teachers' comments, which will be indicated by a number that will correspond to a series of comments printed on the report card. The marks are as follows:

**HARASSMENT/INTIMIDATION/BULLYING/MENACING**

\*5512, 5600, 8461-HARASSMENT, INTIMIDATION, AND BULLYING (M)

The Board of Education prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers

should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidations, or bullying.

“Harassment, intimidation, or bullying” means any gesture, written, verbal or physical act, or any electronic communication, that takes place on school property, at any school-sponsored function or on a school bus and that:

1. Is motivated by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability; or
2. By any other distinguishing characteristic; and
3. A reasonable person should know, under the circumstances, that the act(s) will have the effect of harming a pupil or damaging the pupil’s property, or placing a pupil in reasonable fear of harm to his/her person or damage to his/her property; or
4. Has the effect of insulting or demeaning any pupil or group of pupils in such a way as to cause substantial disruption in, or substantial interference with, the orderly operation of the school.

“Electronic communication” means communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or pager.

Acts of harassment, intimidation, or bullying may also be a pupil exercising power and control over another pupil either in isolated incidents (e.g., intimidation, harassment) or patterns of harassing or intimidating behavior (e.g., bullying).

This Policy may impose consequences for acts of harassment, intimidation, or bullying that occur off school grounds, such as cyber-bullying (e.g., the use of electronic or wireless devices to harass, intimidate, or bully), to the extent this Policy complies with the provisions of N.J.A.C. 6A:16-7.6, Conduct Away from School Grounds, and the district’s code of pupil conduct, pursuant to N.J.A.C. 6A:16-7.1. In all instances of harassment, intimidation, or bullying behavior occurring off school grounds, the consequences only may be exercised when it is reasonably necessary for the pupil’s physical or emotional safety and well-being or for reasons relating to the safety and well-being of other pupils, staff or school grounds, pursuant to N.J.S.A. 18A:25-2 and 18A:37-2, and when the conduct which is the subject of a proposed consequence materially and substantially interferes with the requirements of appropriate discipline in the operation of the school. All acts of harassment, intimidation, or bullying that include the use of school property (e.g., school computers, other electronic or wireless communication devices) apply to the provisions of N.J.S.A. 18A:37-15 and N.J.A.C. 6a:16-7.9, harassment, intimidation, and bullying, whether the subject or recipient of the bullying is on or offschool property.

\*Full Description of Policy can be found on District Website, [www.Spotswood@spsd.us](http://www.Spotswood@spsd.us)

### **HALL PASSES**

Students should seek permission from their teacher whenever they need to leave class. Students should check in via Turnstile at restrooms, guidance, and the nurse’s office.

### **HEALTH SERVICES – Board Policy 5310**

All students who become ill or injured during the school day should report to the Nurse’s Office after obtaining a pass from their regularly assigned teacher. The school nurse will decide whether the student should be sent home or rest in the waiting room. If the student is to be sent home, parents will be notified. The student must then be signed out and taken home by their parent or legal guardian.

**Under no circumstances will the nurse allow a sick or injured student to walk or drive himself/herself home.**

It is the parents’ responsibility to provide at least two emergency contact people that can be called upon in case the parents cannot be reached. There must always be a “back-up” plan in place in order to insure the health and safety of your child while at school.

Students who need to take medication in school must obtain written permission from their doctor and parent/guardian. The medication should be properly labeled in the original container and kept locked in the nurse's office. Those students with life threatening conditions who must carry an inhaler or epi pen with them must also obtain written permission from their doctor and parent/guardian.

### **HOMEWORK/MAKEUP WORK**

The Board of Education believes that homework relevant to material presented in class provides an opportunity to broaden, deepen or reinforce the pupil's knowledge. Teachers must use discretion in deciding the number and length of assignments. The board encourages the use of interrelated major homework assignments such as term papers, themes and creative art projects.

Homework shall not be used for punitive reasons.

Pupils absent for any reason must make up assignments, class work and tests within a reasonable length of time. In most cases, a reasonable length of time shall be the same number of school days as the days missed.

Pupils being excused for any reason must make arrangements with the teacher of the missed classes in order to make up the work missed. This must be done before the absence from class.

#### **Incompletes**

When a pupil does not complete work missed for absence or other reasons, he/she will receive an "incomplete". Pupils will be given the same number of school days as missed following the return to school to make up the missed work.

If work critical to the pupil's understanding of the subject is not made up by the end of the marking period, the grade for that subject area may be an "F."

If an unexcused absence occurs at the end of the marking period and results in a student's receiving an incomplete grade, the student must complete all outstanding credit requirements within 5 school days after the close of the marking period. The teacher is responsible for issuing the student's grade within five school days after these requirements have been met.

#### **Make-Up Testing Policy**

When a student is present on the school day before a test/quiz, that student is responsible for taking that test/quiz on the day on which he/she returns.

When a teacher has given advance notice of a test/quiz, and no new material is covered during a student's absence, then that student is responsible for taking that test/quiz on the school day on which he/she returns.

Consideration will be given to extenuating circumstances, at the teacher's discretion.

If work is missing during the final marking period of the school year, the grade will be left to the discretion of the teacher. The teacher who has given an incomplete is responsible for reporting to the pupil the work he/she has missed and citing the consequences mentioned above.

### **HOMEWORK REQUESTS**

If a student is absent for two or more days, parents should contact their child's counselor and request class and homework assignments. Normally, the parent may pick up this material two days after the request in School Counseling Services. If

material is available before that time, the School Counseling Services secretary will contact the parent. For absences of fewer than three days, the student should contact a classmate for assignments.

### **HONOR ROLL**

Spotswood High School encourages the pursuit of excellence by our students in all endeavors and especially in scholarly achievements. Recognition of outstanding academic performance is given by:

1. Listing of names on the Honor Roll in the Main Office
2. Letters given to students in Period 1/Homeroom.

The honor roll, prepared at the end of each marking period, consists of two categories:

**Honor Student:** One who earns a grade of “B-” or better in all subjects.

**High Honor Student:** One who earns a grade of “A-” or better in all subjects.

If a student’s name is omitted from the honor roll, he/she should go to their School Counseling Services counselor for a correction.

### **INCLEMENT WEATHER**

In case of inclement weather, students should listen to the radio for school closings. **PLEASE DO NOT CALL THE SCHOOL.** The decision to close school or delay opening will be made at 6:00 am. Radio announcements will begin at that time on WCTC (1450 AM), WMGQ (98.3 FM), NJ Channel 12, and NJ (101.5 FM). Also SPSN, Spotswood@spsd.us, and Sangha Alert System will have inclement weather postings. **On days with delayed opening, classes will begin at 9:30 am for all students.**

### **INSURANCE**

#### **Voluntary Insurance Student Plan**

Student insurance can be purchased by a student’s parent/guardian on a volunteer basis. The Board of Education offers this coverage on an individual basis through BMI Benefits. Their Period 1 teacher at the opening of the school year will distribute enrollment information to students.

#### **Athletic Insurance Plan**

The Board of Education provides a partial excess Athletic Insurance plan for all students who participate in interscholastic sports activities. Further information may be obtained from the Athletic Department.

## **LATE ENTRY/EARLY RELEASE**

Spotswood High School realizes that education is a very personal endeavor. Each student travels different paths to success and each student's definition of success varies greatly. Spotswood High School also realizes that the declining economy has affected our students, families and communities. In an effort to reduce the costs of a college education and to provide individualized paths to success, we are introducing a flexible scheduling option to our senior class who will have the opportunity to schedule Late Entry or Early Release.

### **Students Late Entry/Early Release Fact Sheet**

There are four options for students wishing to use this flexible scheduling option:

#### **Single Late Entry**

Students must enter school no later than 8:15. Their school day will begin with period two. It will consist of seven academic courses and lunch. The school day will end at 2:11.

#### **Double Late Entry**

Students must enter school no later than 9:00. Their school day will begin with period three. It will consist of six academic courses and lunch. The school day will end at 2:11.

#### **Early Release 7/8 or 8/9**

Students will begin their day at 7:30. Their school day will begin with period one. It will consist of six academic courses and they will not have lunch. Their school day will end at 12:06 (Period 7/8) or 12:39 (Period 8/9).

#### **Early Release 11**

Students will begin their day at 7:30. Their school day will begin with period one. It will consist of seven academic courses and they will have lunch. Their school day will end at 1:25.

**Students do not have to choose one of the previous three options. They can choose to have a traditional school day that begins at 7:30 and ends at 2:11.**

### **Eligibility**

**To be eligible for late entry or early release, students must meet the following criteria:**

#### **Late Entry or Early Release 7/8 or 8/9**

Students must have obtained 115 credits by the end of the junior year.

Participating students must be in good academic standing, while displaying acceptable behavior and attendance.

#### **Early Release 11**

Students must have obtained 110 credits by the end of the junior year.

Participating students must be in good academic standing, while displaying acceptable behavior and attendance.

**If a student is not eligible at the end of the junior year for extracurricular activities, they will not be scheduled for this privilege as a senior. This privilege can be taken away during the academic year if a student does not maintain good academic standing, good behavior and attendance to school, which will be outlined in the student handbook. Because of their shorter schedules, students with Early Release or Late Entry must remain in the courses they have been scheduled for the 2020-2021 in order to stay eligible for athletics as per NJSIAA rules and regulations. Final administrative approval is needed to be scheduled for any of the three options. A parent must sign a contract before scheduling.**

### **Expectations of Students**

Late entry students are expected to: sign in at the Main Office, report quietly to their locker and go directly to the Media Center until the bell rings. Students will be given special identification cards that must be presented upon entering the building.

**The administration of the school can revoke this privilege at any time and a student will be placed in study halls for the remainder of the academic year.**

### **LATENESS TO CLASS – Board Policy 5200 & 5240**

Students are expected to arrive to class on time. The individual teacher will mark tardiness to class. As described in the lateness to school policy listed below, **every second late to a class will constitute an unexcused absence.**

### **LATENESS TO SCHOOL – Board Policy 5200 & 5240**

A student arriving after 7:30 am must report immediately to the Attendance Office to sign in. **Every two lates to school will constitute an unexcused absence.**

Students who exceed the limit of three (3) unexcused tardies will be subject to the following:

Tardy 4 – Parent contact identifying days of tardy to school plus one day of central detention.

Tardy 5 – Parent contact identifying days of tardy to school plus two days of central detention.

Tardy 6 – Letter sent to parents. Parent contact identifying days of tardy to school plus three days of central detention or lose parking/driving privileges.

Tardy 7 or more – Parent contact identifying days of tardy to school plus one day of detention for each tardy and parent conference to discuss student's tardy issues. Additionally, student may lose credit for course or suffer loss of extracurricular activities.

The student must provide documentation in order not to be subject to the Tardy Policy. Acceptable reasons for lateness: illness, death or serious illness in immediate family, family emergency, religious holiday, court appearance, driver's test, and medical or dental appointment.

### **LOCKERS**

Students will be provided with a locker. Combinations of lockers, which are self-contained, should be known only by their owner in order to insure safety of the contents. **The school is not liable for the contents of the lockers. VALUABLES ARE NOT TO BE KEPT IN LOCKERS.** Should items be missing from a student's locker, that student should report to the main office.

**Students are not to share lockers or make their locker combinations known to any other student. Students must lock their lockers after each use. Students who are sharing lockers will be subject to disciplinary action.**

***If lock is lost or misplaced a fee of \$5 will be mandated in order to receive a new lock and combination.***

Students are held responsible for good housekeeping of their lockers, with no writing or defacing allowed. Do not kick the door to close the locker.

School officials reserve the right to hold periodic locker checks and to seize illegal items or possessions determined to be a threat to the safety and security of others. Items seized will be given to the proper authorities.

## LOST AND FOUND

Personal articles	- Cafetorium

It is consistent with good citizenship that any article found, including money, should be taken by the finder to the appropriate office.

If an article or book is lost or misplaced, you should do the following:

1. Retrace your steps immediately when you realize you have lost an item many time's quick action can help you retrieve the article.

4. Unclaimed articles are kept for 6 weeks after which time the articles will be disposed.

## MESSAGES

Every attempt will be made by the Attendance Office staff to deliver messages from parents to students. However, since these deliveries necessitate the interruption of classes, it is requested that parents/guardians avoid calling in messages to students and limit them to **EMERGENCIES ONLY**. YOUR CONTINUED COOPERATION IS ALWAYS APPRECIATED.

## MONITORING GRADES

The Genesis Parent Module allows parents to access their child's grades and performance in class on a daily basis. During the 2020-2021 academic school year parents will be notified by e-mail blast that the halfway point of a marking period has arrived. At that time parents should log on to view their child's grades. If a parent does not have Internet access, they should contact School Counseling Services and the necessary steps will be taken to provide the parent with the information.

## NATIONAL HONOR SOCIETY

The National Honor Society is an organization that promotes high academic standards, ensures the continuation of democracy and serves as an instrument for the betterment of the individual and the school.

The Spotswood Chapter of the National Honor Society will induct new members in its ceremony in the cafetorium. There is mandatory attendance for all National Honor Society members at the induction ceremonies.

### **NOTIFICATION OF POTENTIAL FAILURE**

1. Cheating on tests, including but not limited to, the non-authorized use of books or notes, the use of crib sheets, copying from other pupils' papers, exchanging information with other pupils orally, in writing, or by signals, obtaining copies of the examination illegally and other similar activities.

The complaint must describe in detail the academic dishonesty that is alleged to have taken place, and must request that the matter be reviewed by the Principal.
3. The Principal will determine if further discipline of the pupil is appropriate, and will determine the nature of the discipline on a case-by-case basis.

4. If the pupil is not in agreement with the disciplinary action of the Principal, he/she may appeal the action to the Superintendent. If the pupil is dissatisfied with the Superintendent's disposition of the case/ he/she may grieve the action in accordance with Policy No. 5710, Pupil Grievance.

### **Consequences for Academic Dishonesty**

In addition to the procedures listed above, academic dishonesty may result in the following consequences:

- A grade of "zero" on the impacted assignment.
- Loss of eligibility for academic honors, including National Honor Society.
- Removal from academic honor societies.
- Suspension from extra-curricular activities.

### **PROBLEMS**

During each school year, parents may be faced with the need to question Spotswood High School about matters concerning their child's classroom activities, attendance, discipline, or participation in clubs or athletics. As questions arise, parents are encouraged to bring these concerns to the attention of the appropriate personnel:

1. The child's teacher
2. The department chair
3. The child's guidance counselor
4. The athletic director
5. The attendance office
6. The school administration

In order to reach any of the above personnel, please call 732-723-2200 or email to discuss the problem or to make an appointment. Dealing with them as soon as possible can solve most problems easily. We welcome your call.

### **RANDOM DRUG TESTING POLICY – Board Policy 5536**

The Spotswood Board of Education has a strong commitment to the safety, health and welfare of all students. The Board recognizes that the problem of illegal drugs and alcohol use presents a continuing challenge in schools and a clear danger to the student population as a whole. Our commitment to maintaining athletics, other extracurricular programs and parking in a healthy, secure and safe educational environment makes necessary a clear policy and supporting programs relating to the detection and prevention of substance use by students involved in these activities.

Participation in athletics and extracurricular activities are not graduation requirements, but are rather privileges as is parking on campus. Our students, by virtue of their decision to participate voluntarily in these activities, and being seen as school leaders and role models in our community, have a heightened responsibility to be alcohol and drug free. Similarly, students with a parking permit who drive on school grounds need to be free of alcohol or other drugs or they may pose a hazard to others or themselves. It is the Board's responsibility to proactively create a safe environment for all students who chose to be involved in athletics, other extracurricular activities or drive on campus.

## REPORT CARDS

The Genesis Parent module allows parents to access their child's grades and performance in class on a daily basis. During the 2020-2021 academic school year parents will be notified by e-mail blast approximately two weeks after the end of the marking period. At that time parents should log on to view their child's grades. If a parent does not have Internet access they should contact School Counseling Services and the necessary steps will be taken to provide the parent with the information.

### **SCIENCE LABS**

P.L. 2005, Chapter 266 (C.18A: 35-4.24 & C.18A: 35-4.25) law allows public school pupils in grades K-12 to choose not to participate in certain experiments involving animals. Students have the right to refuse to dissect, vivisection, incubate, capture, harm, or destroy organisms. Parents or guardians are required to inform the school within two weeks of the receipt of this notification, of their desire to exempt their child from participation in the states activities. The process is to “opt out” not “opt in”; therefore, parents/guardians must notify the school in writing within two weeks of this notification. This law also requires the school to provide those students with an alternative education project.

### **SCHOOL PHILOSOPHY**

Spotswood High School endeavors to develop a student’s intellectual, social, emotional, civil, creative, artistic, and physical potential by providing a variety of course offerings and extracurricular activities. Therefore, the educational philosophy of Spotswood High School is threefold:

1. To help the student achieve his/her fullest potential as a human being.
2. To encourage and enable the student to make responsible choices regarding his/her present education and his/her future endeavors.
3. To promote student involvement with the school and the community.

A student should be given the opportunity to develop his/her unique human potential as an individual for the benefit of self and society. To this end, the Spotswood High School curricula strive to help the individual think critically; to attain a feeling of self-worth; to appreciate learning as a life long process; to respect and appreciate individual and cultural rights, values and points of view of others; and to appreciate and enjoy beauty in the arts and in nature.

Furthermore, the Spotswood High School curricula should be organized according to the needs of both the student and society. Such curricula strive to equip each student with the knowledge and social skills necessary to enable him/her to make responsible decisions both in and out of school, and to respond to an ever-changing technological society.

Finally, the staff and curricula of Spotswood High School encourage each student to accept his/her civic responsibilities. Those skills necessary to participate in a democratic society are being developed with the hope that each student will participate effectively as an adult citizen.

### **SCHOOL RESOURCE OFFICER/S.R.O.**

In response to the changing times the Spotswood Police Department and Spotswood Board of Education have implemented a High School Resource Officer, (S.R.O.). The police department has trained personnel to aide students/staff within the school district. The presence of the officer is to assist and guide students throughout the year. By taking a pro-active community policing approach we are able to breach any communication and educational boundaries.

The School Resource Officer, Sgt. Edward Schapley, is available to interact with the student population, as well as answer questions, assist with problems, counsel students on inappropriate behavior, and assist the administration with any concerns.

The Spotswood Police have also implemented many community programs, as well as educational presentations that fall under the administration of the School Resource Officer. If you have any questions or concerns please feel free to contact the School Resource Officer at 732-723-2200 extension 1070 to schedule a meeting or express your concerns.

### **SMOKING AND TOBACCO POLICY – Board Policy 5533**

The act of smoking/possessing tobacco or the use/possession of smokeless tobacco products including **vapor cigarettes** by students on school property is strictly forbidden. The following penalties will be assessed upon those students who violate this policy. Reference Code of Conduct.

**SUMMER SCHOOL**

Students who have not received credit for courses due to failure or who have violated the class cutting policy and/or attendance policy are eligible to attend summer school. Starting in the summer of 2009 Spotswood introduced a virtual summer school for our students that have not received credit. The courses are taught over the Internet and the cost to families is much less than traditional summer school classes. You can visit the Spotswood Virtual Summer School link on the School Counseling Services web page for a list of available courses and to register for classes. In addition, several local school districts do have summer school programs that Spotswood students can attend on a tuition-paying basis. The courses offered in these local districts are for remedial purposes usually in the following subject areas of Physical Education, English, Mathematics, Science and Social Studies. Elective courses are usually not offered for remediation. Successful completion of a summer school course will allow the student to earn full credit for the regular course failed during the previous school year.

Counselors are available during the regular school year to assist students in providing information as well as recommending and certifying summer school programs. In mid-May of each year teachers provide a list to the counseling staff of students who are in danger of failing a course for the year. The teacher also communicates this possible or probable failure to the parent/guardian on the 4th Quarter Interim Notice. Students who are in danger of failing are contacted by counselors who will recommend summer school for courses required for graduation. It is the responsibility of the student and the parent to secure the necessary application for registration.

It is the responsibility of the student to ask his/her teacher if he/she has passed the course after the exam has been completed. Since summer school classes begin immediately following the end of the school year, students who fail required courses are responsible for obtaining necessary registration forms. Counselors may be available to contact parents regarding summer school after the teaching staff has left for the summer recess.

### **SUSPENSION AND EXPULSION FROM SCHOOL**

#### **\*5610 - Suspension**

The Board of Education recognizes that even the temporary exclusion of a pupil from the educational program of this district is a severe sanction and one that cannot be imposed without due process.

Any pupil who is guilty of continued and willful disobedience, or of open defiance of the authority of any teacher or person having authority over him, or of the habitual use of profanity or of obscene language, or who shall cut, deface or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school. Conduct which shall constitute good cause for suspension or expulsion of a pupil guilty of such conduct shall include, but not be limited to, the conduct as defined in N.J.S.A. 18A:37-2 and the school district's Pupil Discipline/Code of Conduct Policy and Regulation in accordance with the N.J.A.C. 6A:16-7.1. et seq.

\*Full description of policy can be found on District website.

#### **\*5620 – Expulsion**

The Board of Education recognizes that expulsion from this district is the most severe sanction that can be imposed upon a pupil. For the purposes of this policy, “expulsion” means the Board discontinuing the education services or discontinuing payment of education services for a general regular education pupil from school pursuant to N.J.S.A. 18A:37-2.

The Board may expel a general education pupil only after the Board has provided the procedural due process rights set forth in N.J.A.C. 6A:16-7.3 and 7.4 and as outlined in Policy and Regulation 5610, subsequent to a long-term suspension pursuant to N.J.A.C. 6A:16-7.3, and only after the Board has provided an appropriate education program or appropriate educational services, based on the criteria set forth under N.J.A.C. 6A:16-7.3(f) and as outlined in Regulation 5610. The educational program shall be consistent with the provisions of N.J.A.C. 6A:16-9.2, Alternative Educational Programs, and N.J.A.C. 6A:16-10.2, Home or Out-of-School Instruction for General Education Pupils, and N.J.A.C. 6A:14-2, Special Education, Procedural Safeguards and N.J.A.C. 6A:14-4.3, Special Education, Programs and Instruction, whichever are applicable. The education services provided, either in school or out of school, shall be comparable to those provided in the public schools for pupils of similar grades and attainments, pursuant to the provisions of N.J.S.A. 18A:38-25.

\*Full description of policy can be found on District website.

### **STUDENT SUSPENSION**

There are two types of student suspension: In-School and Out-of-School Suspension.

In-School Suspension (I.S.S.). Students must follow all the rules and regulations of In-School Suspension. Students who do not satisfactorily complete their I.S.S. obligations will receive two days Out-of-School Suspension. Students are required to directly to the main office upon arrival to school.

Out-of-School Suspension will be assigned in all cases of illegal or violent behavior such as fighting, substance abuse, weapons possession or other serious matters. During an Out-of-School Suspension, students are not permitted on school grounds before, during, or after school for any reason. Students who have been suspended repeatedly may be subject to a district level hearing concerning their behavior.

Students who have been suspended Out-of-School may make up any missed work or tests. Generally, the number of days out will determine how many days a student will have to make up work, for example; a student is returning from a three-day suspension should complete make-up work within three days of their return. Students who fail to submit make-up work will receive a zero for those assignments.

Any student who accumulates a total of two (2) separate suspensions may be ineligible to participate in all extra-curricular events, including, but not limited to: proms, sporting events, school performances, trips, and school sponsored activities.

### **TEACHER DETENTION**

Individual teachers may wish to detain students for classroom infractions. Students who serve detention with a teacher must remain under the teacher's direct supervision until dismissed and transportation is available. Students assigned to teacher detention must be given 24 hours notice.

Failure to serve a teacher detention may result in central detention or further disciplinary action.

### **TEXTBOOKS**

All basic texts are loaned to students for their use during the school year. The student pays for notebooks and other supplies. Each textbook should be covered within twenty-four hours of receiving it.

Please make sure your name, grade and school are written in the books in case they are misplaced. You will be required to pay for lost or damaged books.

### **THEFTS – Board Policy 5600**

Students must exercise great care to see that all lockers are properly secured to protect public and personal property from theft. Never leave belongings unprotected. Every theft report will be carefully investigated by the administration. Complaints will be filed by the administration against any student possessing stolen property. Reports of thefts should be made on the proper forms available at the Assistant Principal's Office.

# COVID 19 ADDENDUM

Reopening schools in the wake of the COVID-19 pandemic has required SHS to adjust several of our policies and procedures so that they are aligned with the most recent health and safety guidelines. In the event that our school year takes place in a hybrid or fully virtual model of instruction, please note the following additions to the student handbook.

## ACADEMIC INTEGRITY

The freedoms that come with virtual instruction require the highest degree of academic integrity. Students are reminded that unless expressly permitted by their teacher, assignments submitted should represent their work, and should not be submitted after collaboration or assistance from others. If a student has a question about whether work may be completed in collaboration with others, they should ask their teacher prior to completing and submitting the assignment.

The following are examples of academic dishonesty:

Breaking Test Protocol (ex: no talking, not using notes or phone, not keeping Zoom camera on during an assessment)

Copying or lending assignments to others including homework, lab files, or papers.

Plagiarizing: Using words that are not your own, without a citation

Providing or receiving unauthorized assistance during an assessment (ex: through a peer, or through the internet, or use of an unauthorized calculation device).

Sharing content of teacher assessments with other students. This includes verbal, electronic, or hard copy communication.

Using strategic absenteeism on assessment and assignment due dates to gain an academic advantage. (Students who are absent must see/contact their teacher on the same day to turn in the assignment or schedule a makeup exam).

Please see “Consequences for Academic Dishonesty” in the student handbook for additional information.

## ARRIVAL AT SCHOOL

Upon arrival to school, students must enter through a designated entrance. Students parking in the back and side lots should come in through those doors. Students who walk or bike to school, are dropped off, or who take the bus, should enter through the front doors by grade:

Grade 9 – Door 1 (Cafeteria)

Grade 10 – Door 2 (Main Entrance)

Grade 11/12 - Door 3 (Gym)

Before being allowed to enter, all students must be temperature screened by a staff member. Upon entering the school, students should report directly to their homeroom.

## ATTENDANCE

SHS will follow our board approved attendance policy. If a student is going to be absent from school and cannot participate in distance learning, parents should continue to call the attendance line to report the absence.

Attendance will be taken for each class period based on: Physical attendance, Virtual attendance, or Completion of Daily Tasks.

### **CODE OF CONDUCT**

Maintaining a school environment that preserves the health and safety of our students and staff is of paramount importance. It is critical that our students are respectful of COVID-related guidelines. Willful disobedience of COVID related guidelines may include refusal to:

- Wear a mask, or wear a mask properly
- Maintain social distancing
- Submit to temperature screening
- Keep proper routes throughout the building
- Follow additional guidance received from the State of NJ and/or the CDC

Disciplinary Consequences:

<b>First Offense:</b> Student is placed on virtual instruction for one week.	<b>Second Offense:</b> Student is placed on virtual instruction for 2 weeks.	<b>Third Offense:</b> Student is placed on virtual instruction for the remainder of 2020-21 hybrid school year.
---	---	--

Students are reminded that these guidelines are in effect on the school bus, in the school building, and at any extracurricular activities.

In the event a student’s conduct warrants a disciplinary consequence, it will be documented, and the student may be assigned to virtual instruction.

**HALL PASSES**

Students should seek permission from their teacher whenever they need to leave class. Students should check in via Turnstile at restrooms, guidance, and the nurse’s office.

**HEALTH SERVICES**

Students should not come to school if they are feeling ill. If this is the case, a parent should call the attendance line to report the absence. If the student can still participate in distance learning on that day, they may do so.

- A fever of 100° F or greater
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat

Any student who manifests possible COVID-19 symptoms as listed above during the school day will trigger the following protocol:

- The students exhibiting possible COVID-19 symptoms will be discreetly and quietly directed to each school building's COVID-19 isolation room by District staff.
- The school nurse will contact the student's parent/guardian and indicate the symptom(s) and inform the parent/guardian that the child must be picked up as soon as possible.
- The parent of the student will need to produce a doctor’s note from the student’s doctor indicating that the student may return to in-person instruction.
- Additionally, the student will be immediately placed in the Virtual Education Program until cleared to return to in-person instruction.

### **HOMEWORK/MAKEUP WORK**

Classwork will be due 24 hours after it is assigned unless otherwise specified by the teacher. Students who are absent and cannot participate in virtual instruction should check their Google Classroom for the assignment and contact the teacher for additional information, as needed.

### **LOCKERS, LOCKER ROOMS, & PE PROCEDURES**

Students will not be issued lockers for the 2020-21 school year. Students may carry their personal belongings to class in backpack, tote bag, or other similarly sized bag.

Similarly, locker rooms will not be used for PE classes. Students should come to school dressed and wearing comfortable shoes that allow for light activity (ex: walking, yoga, etc). Failure to do so may result in loss of participation credit for PE. PE classes will take place outside whenever possible, and students should dress for the weather. Students may change their shoes for PE so long as it does not delay the start of the class period, and the student does not store the shoes in a locker or locker room.

### **VIRTUAL LEARNING GUIDELINES**

Teachers will review with their classes specific guidelines for their classrooms.

In general, students should adhere to the following guidelines for virtual learning:

- Be on time & come prepared with your school materials.
- Set your Zoom name as your first and last name (ex: Joe Smith).
- Teachers must be able to see your face at the start of class in order to take accurate attendance.
- Keep an appropriate Zoom background
- Keep your microphone muted, unless directed otherwise by the teacher.
- Refrain from distracting others.
- Use headphones (if possible) to reduce background noise.
